

JOB TITLE: HEALTH INFORMATION SCANNER/INDEXER

REPORTS TO: Patient Navigator

DATED: March 2019

A. ESSENTIAL JOB FUNCTIONS:

Acts as a member of the KCHC healthcare team to accomplish shared goals within and across settings to achieve coordinated, high-quality care.

1. Scans and indexes health information into current Kodiak Community Health Center EHR system. Standards:
 - Reviews patient’s external medical record and determines appropriate information to be scanned/indexed into EPIC (EHR) system.
 - Organizes data from other various clinical resources in order to correctly identify and provide accurate patient data for the providers.
 - Understands and properly identifies documents to be scanned into EHR based on the clinical guidelines set forth and the approved scan document list.
 - Works with staff in a cooperative and timely manner to achieve business objectives.
 - Ability to function independently and manage own time and work tasks.
 - Adheres to all HIPAA privacy and security policies and practices. Reports violations and incidents they observe and cooperates in investigations as requested by management.
 - Travel may be required to attend meetings, provide training or coverage.

2. Receives and processes all Medical Records. Standards:
 - Files/Scans old medical records into EPIC.
 - Files/Scans incoming medical records into EPIC.

3. Performs other related duties as assigned. Standards:
 - Follows guidelines established at time of assignment.
 - Accepts assignments willingly.
 - Prioritizes workload to ensure timely completion of assignment.
 - Asks appropriate clarifying questions relative to scope of assignment.

Other duties as assigned.

B. MISSION STATEMENT

We exist to provide compassionate and comprehensive primary care to the entire Kodiak Community.

C. VISION STATEMENT

Working together to achieve ultimate health and well-being.
